TOTAL FOR EACH COLUMN						TOTAL

Outstanding _____ Good _____ Worthy _____ Best of Class _____ Best of Show _____

Composition (35 points)

Point of interest - Is there a main center of interest?

Placement of subject - Is subject placed in a position that adds to the interest story-telling ability of the picture? Keep in mind the "Rule of Thirds."

Distance from subject - Does the subject fill the viewfinder or does the distance add an interesting perspective?

Foreground/background - Is the foreground and background simple & uncluttered? Is it used to set the stage for the story without detracting from the subject?

Format - Was the horizontal or vertical format used the best choice and was it used effectively?

Framing - Is framing used to add dimension to the photo or call attention to subject?

Perspective - Is the camera angle used effectively to help add interest and build the story?

Quality (40 points)

Focus - Is the image clear and sharp? Does the photo record fine detail with good definition?

Exposure - Did the exposure used provide adequate lighting for the image?

Contrast - Is contrast used effectively to make the subject stand out or to set a mood?

Lighting - Does the lighting call attention to the subject, set a mood, or add interest?

Grain - Is graininess apparent and detracting to the overall image?

Depth of field - Is the depth of field used effectively to emphasize the subject?

Color - Is the color (either black white or color) natural and true to life?

Depth of tones - Does the photo have richness of color or complete range of tones?

Storytelling (15 points)

Visual impact - Does the photo attract and maintain your attention?

Message - Does the photo clearly communicate a message? Does it tell a story in the first glance?

Creativity originality - Is the subject presented in a unique way?

Presentation (10 points)

Mounted/matted according to regulation/mat board compliments photo - Does mounting/matting meet the standard set of not larger than 12 x 14 inches or for sequence, no larger than 16 x 20 inches? Does it enhance the photo's attraction or add interest? Is it done neatly?

Title appropriate - Does it help tell the story?
